

Clean Power Plan:

- On October 10, 2017, following a review as directed by President Trump's Energy Independence Executive Order, the EPA proposed to repeal the Clean Power Plan (CPP).
- The CPP was premised on a novel and expansive view of agency authority that this Administration now proposes to determine is inconsistent with the Clean Air Act.

Deliberative Process / Ex. 5

Point of Obligation:

Deliberative Process / Ex. 5

Ozone:

Deliberative Process / Ex. 5

Methane:

- EPA is working to fix the current Methane Rule that was a part of the previous administration's legally flawed and technically deficient climate regulations.
